### AI in the Classroom Webinar

Join us for an engaging workshop on AI in the Classroom, where we will explore the fundamentals of what AI is and how AI works in today's educational landscape. Discover how it has evolved on a large scale, and within education, transforming teaching methods and student experiences. We'll examine how it will likely continue to transform, shaping the future of personalized learning, classroom dynamics, and academic support. Most importantly, we'll discuss how that transformation will affect faculty and the classroom, highlighting both opportunities and challenges for educators. Don't miss this chance to gain valuable insights and practical strategies for integrating AI effectively into your teaching practice!

Presenter: **Craig Hayward** of the California Community Colleges Chancellor's Office

**Wednesday, April 23, 2025, from 3:00 – 4:30 p.m. PDT.**
