**2021-2022**  
**V5-Aggregate Verification**

Your application for federal financial aid was selected for review in a process called "Verification." In the process, we will be comparing information from your FAFSA application with your Federal tax information, W-2 forms and/or other financial documents. The law says we must ask you for this information before awarding financial aid. If there are differences between your application information and your financial documents, corrections will need to be made to your application and your information will be reprocessed.

You must complete and sign the worksheet and submit it along with any documents requested below. You will not receive Federal Student Aid (FSA) until all verification requirements are met. Contact our office if you need assistance in filling out this form at (684) 699-9155 ext.313 or [faid@amsamoa.edu](mailto:faid@amsamoa.edu).
