LSAMP Tutorial

Please see Victor Ualesi, LSAMP Coordinator, in the Math/Science Building.

The Buckley Amendment of the Family Educational Rights and Privacy Act of 1974 (FERPA) Public Law 93-380

This amendment requires that institutions receiving Federal funds administered by the Department of Education must obtain the student's consent to release information from school records.

One exception to the law, however, is that information sought in connection with a student's application for receipt of financial aid is exempt. It has been determined that school records relating to VA benefits fall into the "financial aid" category and are therefore exempt from the provisions of the Buckley amendment.

Therefore, the VA (and SAA) shall have access to the records of VA beneficiaries as well as non-VA students without the written consent of the student in order to monitor the school's compliance with the law.

Please contact Mrs. Fuala'au Lancaster at 699-9155 ext.426 or email: f.lancaster@amsamo.edu for any questions regarding VA benefits.

REMINDER: ZERO TOLERANCE POLICY

Students! Please know and understand that this policy is very crucial.

If you have any questions regarding this policy, please refer to the ASCC Catalog (hard copy or ASCC Website), or see the Dean of Student Services.
