# Word of the Day

**gasconade** \gas-kuh-NEYD\

**noun:**

*Extravagant boasting; boastful talk*

The papers, barely days old, were full of boastful malarkey and **gasconade**, but of much more evident value when it came to information about the state of things in France, and in the local area

## FUN FACTS:

- 1) Every time an orange appears in “The Godfather” someone dies.
- 2) *Pigs can suffer from mysophobia: fear of dirt!*
- 3) *Hamsters are illegal in Hawaii.*
- 4) *Before the 1800s, shoes for the left & right foot were the same ☺*
- 5) *If sharks go upside down, they slip into a coma!*

# The More You Know...

A man feared his wife wasn't hearing as well as she used to and he thought she might need a hearing aid. Not quite sure how to approach her, he called the family Doctor to discuss the problem. The Doctor told him there is a simple informal test the husband could perform to give the Doctor a better idea about her hearing loss.

Here's what you do," said the Doctor, "stand about 40 feet away from her, and in a normal conversational speaking tone see if she hears you. If not, go to 30 feet, then 20 feet, and so on until you get a response."

That evening, the wife is in the kitchen cooking dinner, and he was in the den. He says to himself, "I'm about 40 feet away, let's see what happens." Then in a normal tone he asks, "Honey, what's for dinner?" No response.

So the husband moves to closer to the kitchen, about 30 feet from his wife and repeats, "Honey, what's for dinner?" Still no response.

Next he moves into the dining room where he is about 20 feet from his wife and asks, Honey, what's for dinner?"

Again he gets no response so, He walks up to the kitchen door, about 10 feet away. "Honey, what's for dinner?" Again there is no response.

So he walks right up behind her. "Honey, what's for dinner?"

"James, for the FIFTH time I've said, CHICKEN!"

Moral: *The problem may not always be with the other person as we sometimes think, it could very much be within us ☺*

**Thought for the day:**

*Never be afraid to try something new...Remember, amateurs built the ark, professionals built the Titanic ☺*

# Have a great week ☺
