Financial Aid

1. Students that need to do corrections on their financial aid application may do so at the MIS computer lab.
2. Pick up an attendance form if you are not adding or dropping any classes if all your classes are posted with no other changes, please see the financial aid office for an attendance form.
3. If you graduated high school after January 1, 2005, please be sure to turn in a high school transcript to the financial aid office.
4. The financial aid office will ONLY process financial aid for students that have the following:
 - a. Complete Financial Aid application
 - b. High School transcript (required only for students that have graduated after 1/1/05)
 - c. Copies of the following documents:
 - i. High School diploma
 - ii. Local ID
 - iii. Birth Certificate and/or US Passport
 - iv. Social Security Card
 - d. Attendance form (complete with signatures from instructors)
5. If you are not sure of your financial aid status be sure to stop by the financial aid office and see the appropriate counselor.

WHY STUDENTS SHOULD BRING THEIR TRANSCRIPTS:

The reason for this is the Academic Competitiveness Grant, or ACG. Last year this grant was only offered to students who are U.S. citizens. **This year it is open to U.S. nationals.** Eligibility for ACG is dependent on student's coursework while in high school and only if you graduated in 2005 or later. It is not open to students who graduated from high school before 2005. In order for the financial aid office to determine if you are eligible, we must review your high school transcript. Successful completion of a rigorous high school program as identified by the U.S. Secretary of Education includes the following:

- 4 years of English
- 3 years of mathematics (Algebra I and above)
- 3 years of science, including 2 of the following: biology, chemistry and physics
- 3 years of social studies
- 1 year of language other than English. Your transcript must specify the name of the language course you completed. If you took Samoan Culture instead of Samoan Language, you are not qualified.

If you know you did not successfully complete a rigorous high school program of study, you may simply let your financial aid counselor know that fact and you will not have to provide your transcript.

Barry M. Goldwater Scholarship *and Excellence in Education Program*

Purpose: The Barry M. Goldwater Scholarship and Excellence in Education Program was authorized by the United States Congress in 1986 to honor Senator Barry M. Goldwater, who served his country for 56 years as a soldier and statesman, including 30 years of service in the U.S. Senate. The creation of this program pays tribute to the leadership, courage, and vision of Senator Goldwater and establishes in his name an endowed recognition program to foster and encourage excellence in science and mathematics.

Award: up to a maximum of \$7,500 annually

***For further information, please see the Dean of Student Services.**

Scholarships for Minorities (<http://www.gmsp.org>)

There are more minority scholarships than most people realize. In academia, the term “minority” applies to a racial, gender, cultural or social minority group within a particular field of study or population of students. Here are just a few of the groups that qualify for minority scholarships. [The Gates Millennium Scholars Program](#), a \$1 billion grant from the Bill and Melinda Gates Foundation, is exclusively targeted to racial minorities in education, engineering, library science, mathematics, public health and the sciences, where these groups are severely underrepresented.

- Gender minority in a field of study (female engineers, male nurses)
- African Americans
- Asian & Pacific Islanders
- Latino & Hispanic Americans
- Native Americans
- Gay Lesbian Bisexual, & Transgender (GLBT)

Colleges often count military credits!

For a list of schools that accept military credit, visit <http://www.soc.aascu.org/> on the Web. Begin by looking at that institution’s Web site. First, complete an application form. Then send in the transcripts from each school you’ve attended, including military transcripts. All the military training you completed may count toward your education goals.

FOR MILITARY TRANSCRIPTS

PHYSICAL EDUCATION

To ALL students: The gym is for physical education classes ONLY. Please use the library or cafeteria for study. The gym is not a hang out. If you have any queries regarding this matter, please see PE Instructors Ed Imo or Richard Park. Thank You☺

REMINDER: ZERO TOLERANCE POLICY

Students! Please know and understand that this policy is very crucial.

If you have any questions regarding this policy, please refer to the ASCC Catalog (hard copy or ASCC Website), or see the Dean of Student Services.

HAVE A GREAT WEEKEND and... Always say Thank you☺
