# VETERANS AFFAIRS

## VA Coordinator/ Student Employment (Non-Pell)

### Public Law 112-56, VOW to Hire Heroes Act of 2012

On November 21, 2011, the President signed Public Law 112-56, the VOW to Hire Heroes Act of 2011. Included in the Law is the Veterans Retraining Program for unemployed veterans. VA and the Department of Labor (DoL) are working together to roll out this new program on **July 1, 2012**.

A brief summary of the new law is outlined below:

- Be between the ages of 35-60
- Be unemployed (as determined by the DoL) with special consideration given to veteran who have been unemployed for more than 26 weeks.
- Have any other than a dishonorable discharge.
- Not eligible for any other VA educational benefit program (e.g. the Post 9/11 GI Bill, Montgomery GI Bill, and Vocational Rehabilitation & Employment Assistance).
- Not be in receipt of VA compensation due to unemployability.
- Not be enrolled in a federal or state job training program.

This program is limited to 99,000 participants who may receive up to 12 months of payments 2t the full-time Montgomery GI Bill-Active Duty rate (currently \$1,473 per month). Participants must be enrolled in a VA approved program of education offered by a community college or technical school. The program must lead to an associate degree, non-college degree, or a certification and train the veteran for high demand occupation.

Applications will be submitted through DoL and benefits paid by VA. DoL will provide employment assistance to every veteran who participates, upon completion of their program.

*Note: The key is...must be enrolled in a VA approved program of education offered by a Community College or Technical School as stated above. The program begins July 1, 2012. **PTK Holiday Toy Drive Now Underway**

*By James Kneubuhl, ASCC Press Officer*

The American Samoa Community College (ASCC) chapter of the Phi Theta Kappa (PTK) honor society currently has a toy drive underway to collect items to brighten the holiday spirit for children in the Pediatric Ward of LBJ Hospital and at Hope House/Fatuoaga. "PTK does this because it is one of four pillars we took an oath to uphold--leadership, scholarship, fellowship, and service," said PTK President Marietta Lafaele. "This is our service to the people and children of American Samoa. It feels good to give something, even if it's just toys during the holiday season."

Anyone wishing to donate a new toy or a used one in good condition can find the PTK at Laufou Shopping Center in front of Blue Sky between 8 a.m. and 4 p.m. from now until Wednesday, December 5<sup>th</sup>. "We're looking for toys that are safe for the children," said Lafaele. "Used toys are acceptable as long as they're safe and in reasonable condition. We also welcome monetary donations." Lafaele estimates that between the Pediatrics Ward and LBJ there are around 60 children for whom the PTK hopes they can provide toys. "We want to collect as many as we can," she said. "If we end up with more than we need, we can use the remainder at different times of the year, because different children come and go from both locations."

The PTK will also have a drop-off station on the ASCC campus for students and staff who wish to make a contribution. The honor society held its first toy drive last year at this time, and the results have encouraged them to make this an annual event. "We have received great support from everyone at ASCC and from the community, and we hope they'll get in the holiday spirit again this year. If any of the local businesses or organizations would also like to become official sponsors of this event, we would be happy to work with them."

A longstanding entity at ASCC, the PTK honors outstanding academic performance among its members. It is linked with the nationwide PTK organization, which provides scholarships annually to qualifying students. Each member is automatically nominated for inclusion in the prestigious National Dean's List, and is also enrolled in the PTK Transfer Database, which links senior institutions across the nation offering scholarships to PTK members. For more information about the nationwide activities of Phi Theta Kappa, visit their website at: [www.ptk.org](http://www.ptk.org). For information regarding toy donations, call 770-5244 or 252-8874.

# The More You Know...

Vote Smart!  
(A message from the Editor)

As the runoff date draws nearer, the radio, the newspaper, facebook, and other social media networks have all been flooded with Political Camps trying their best to gain and garner votes. At this point, anything will be said to influence your vote. Who can you trust? Most importantly, what will you sacrifice in exchange for your vote? Too often we are swayed by the promises of an overly eager camp. As you weigh your options before heading to the polling station, I advise you to do your homework. Find out what you need to know about each candidate, weigh your options, and make your decision. Vote Smart. I have defined voting smart as voting for what you believe in. Don't be swayed by mere words, or an \$8 lunch, or because your parents told you to, vote because you believe your choice is the BEST choice for American Samoa...that is the beauty of democracy. If people aren't happy, they are given the freedom and the opportunity to change it.

This election we have four gubernatorial teams who have banded together with the promise of changing our government, and the opposing team who urges voters to not be easily swayed by this idea of "change"! Nevertheless, the final decision rests with you, the voter.

Vote Smart American Samoa ☺
