STELLA

By Jessica Casem

Paradise Pizza is a great place to dine
Preferably the Pago branch because it's divine
Made for lovers, friends & the family
Their pizza can make your taste buds very happy
Their Barbeque Pizza is an exceptional delight
If you're not a BBQ lover, that's quite alright
They also serve exquisite free bread rolls
Along with various dishes like rib eye steak or loco moco
Customer service is excellent and great
Most likely never refilling your cup too late
Open for dinner, lunch & breakfast
For some who live far, it's quite a distance
But with a taste of perfection cooked in Pago
It's worth the gas, the money & a hint of struggle
The aroma from the kitchen is enticing and nice
Can't wait to *Taste a slice of paradise ...pizza*

CHIEF Poetry

"Happy Thoughts" - Takata

Was I ever broken?
You often say you fix me up a lot.
You were never mistreated,
Like a helpless soul, you just gave up
On things that we wanted,
You know I gave you everything I got.

To you, I am broken.
I know that this is what you're thinking
of.

I'm all out of favors,
You seem to have your ways around my
heart.
And I'm still believing that we could live
forever
Brushing our fingers through the dark.
So where are you going?
Don't be a stranger.
Stay right where you are.

I won't be so broken,
Oh darling, without you I'll fall apart.

It's been far from waiting,
So clear that I am not the one for you,
If you're concentrating,
I hope you see the mess you put me
through.
I'll spend my tomorrow,
Living a day with just a ghost of you.

Rest in easy
And leave silently.

Dond "11:11"- Judenino Supapo

It can start as a feeling,
It can be put in a note.
It can grow your own being.
It can grow into a hope.
Infinity and infinity,
there are endless possibilities.
When you have the key,
Why wait for doors to open?
Since you have the idea,
Think it louder till it's spoken.
The limit does not exist
So don't waste your 11:11 wishes.

"Don't Give Up" – AnoNymous

We stay up late at night
Trying to finish off the last of these
assignments
We have little time in ourselves,
But we are still able to find some
excitement

Our future are important
We must work towards it,
Don't you give up now!
Even if things look like shhh-carbomi

The struggle we are going through
Will be worth it when we've reached the
to;
So keep working towards our dream
Don't you ever stop

Believe in yourself,
And do things you've never done
Have faith in whatever you do,
And always remember to have fun!
